FOUR WEDDINGS.

The third time proved to be the charm in the attempt of two young people to enter married life. Miller Rodgers, aged 20, a minor, and Miss May Studham, 19, Chickasha, were issued a license Saturday afternoon by Deputy County Clerk Richardson. The prospective groom had made two previous applications, first on the grounds that he had no parents and no guardian and consequently believed that it would be smooth sailing. The second

time a letter of consent written by his brother at Alex failed to carry the signatures of witnesses. Saturday afternoon, however, he appeared for the third time bearing the affidavit of his brother, Troy Rodgers of Alex, and made before the local justice of the peace. That brought the desired result and young Rodgers left the office in a happy frame of mind. The young people were married by Rev. Lawrence L. Cohen, Jr.

James N. Minner, 21, Lawton, and Miss Willie L. Baker, 18, Lawton, were married Saturday evening by County Judge Davenport.

William D. Ware, 48, Oklahoma City, and Miss Bessie Mattox, 27, Chickasha, were united in marriage yesterday by Rev. Lawrence L. Cohen, Jr. Mr. Ware came in from Oklahoma City yesterday morning and Deputy Clerk Richardson rose from his midday meal to serve him with a license.

A license was also issued to Charles B. Dryden, son of Jailer Dryden, 22, Verden, and Miss Myrtle Williams, 18, Verden.

Waiver Still Stands.

The motion to withdraw the waiver of the preliminary in the case of Cap Weaver was overruled in the county court Saturday afternoon, the proof showing that Weaver had been arrested several times, which had a bearing on the case. GIRL COULD NOT WORK

How She Was Relieved from
Pain by Lydia E. Pinkham's
Vegetable Compound.

Taunton, Mass.—"I had pains in both sides and when my periods came I had to stay at home and suffer a long time. One day a woman came to our house and asked my mother why I was suffering. Mother told her that I suffered every month and she said, 'Why don't you buy a bottle of Lydia E. Pinkham's Vegetable Compound?' My mother bought it and the next month I was so well that I worked all the month without staying at home a day. I am in good health now and have told lots of girls about it."—Miss CLAUDE MORRIS, 22 Russell Street, Taunton, Mass.

Thousands of girls suffer in silence every month rather than consult a physician. If girls who are troubled with painful or irregular periods, backache, headache, dragging-down sensations, fainting spells, or indigestion would take Lydia E. Pinkham's Vegetable Compound, a safe and pure remedy made from roots and herbs, much suffering might be avoided.
